BREAD DIPS & Witch's Fingers

WITCH'S FINGERS make a fun, seasonal snack or appetizer, especially when served with a couple of mouthwatering dips. Try our kid-friendly Fruit dip or this fabulous Spinach-Cheese dip!

FRUIT DIP

- 8 oz. package lite cream cheese, softened
- 7 oz. jar Marshmallow Fluff
- 1 Tbsp. orange-flavored liqueur or 1 table-spoon orange juice
- 1 tsp. freshly grated orange peel
- 1/2 tsp. ground ginger

Combine all ingredients, mixing with an electric mixer until well blended. Dip is best if chilled and made ahead so that flavors can mingle.

SPINACH-CHEESE DIP

- 1 package dry vegetable soup mix
- 1 package frozen chopped spinach
- 2 cups sour cream
- 8 oz. package shredded Swiss or Cheddar cheese
- 1 cup mayonnaise
- 1 can water chestnuts (optional), chopped
- 1/4 cup green onions, chopped

Stir all ingredients together. Chill at least 2 hours. Dip away!

In 1995, Roast Master Carl Nolt began roasting amazing coffee in Monument CO. Carl believes passionately that roasting is an art, and when done correctly, unlocks the flavors in a coffee to reveal its unique characteristics and nuances. He also believes that the distinctive properties of a coffee are best achieved through a Northern European style of roasting and using Swiss Water Process decaffeinated coffees.

Carl is on a personal quest for the highest quality coffee beans. His passion for fresh, exceptional tasting coffee and building a relationship that is focused on our success is a perfect match for us.

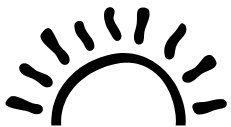

We offer a full line of Serrano's coffee and teas in our bakeries — fresh brewed drip coffee, teas (hot or iced), lattes, cappuccinos and espresso. We think you will love our own proprietary roast - **Great Harvest Blend!** You can also enjoy Serrano's fabulous blended coffee drink, **Avalanche.**

We know you will love Serrano's. Stop by to share a slice and enjoy a cup of our **Great Harvest Blend!**

PUMPKIN SPICE LATTE IS BACK!
