STUFFING BREAD!

Enjoy the taste of Thanksgiving stuffing in a hearty loaf Great Harvest bread! This simply delicious bread is flavored with sage, thyme, salt & pepper in our famous freshly ground whole wheat dough. We chop up the onions and celery, and hand knead the veggie mix into every loaf! Use this bread as the starting point for your own stuffing, or slice it up to make turkey sandwiches (tastes like a meal when covered with hot left over gravy).

Happy Thanksgiving!

As we approach the holiday season, we are reminded to say thanks for the things that make our lives so rich — especially family and friends — and to give generously to those less fortunate than ourselves. Be sure to stop in, say hello and share a slice!

GREAT HARVEST STUFFING RECIPE

- 12-16 pound Turkey
- 1 loaf of Great Harvest Stuffing Bread
- 1 stick or 1/2 cup of Sweet Cream Butter
- 1 1/2- 2cups Chicken Broth or water reserved from Giblets

Slice the loaf into 2" cubes and store in a brown paper bag. 3-4 days before preparing stuffing (or you can dry in the oven for 3 hours at 200°). Place cubes in a large bowl and add in 1 stick of butter that has been cut into small pieces. Add enough chicken broth or giblet water to moisten cubes. Place stuffing inside of turkey cavity and bake as normal. (Optional: add chopped walnuts or dried cranberries for a mouth-watering feast.)
