

# Great Harvest Bread Co.®

8668 N. Union Blvd Colorado Springs, CO 80920

## SCRAMBLED FRENCH TOAST

- 1) Cube slices of Great Harvest bread. We like **CINNAMON CHIP, APPLE CINNAMON SWIRL, OR CHALLAH.**
- 2) In a large bowl, beat together one egg and 1/4 cup of milk or water per slice of bread.
- 3) Drop the cubed bread into the bowl and mix. Add cinnamon to taste.
- 4) Grease a frying pan and pour in the whole mixture. Turn bread/egg mixture with spatula just like you would with scrambled eggs.

Serve with syrup, caramel sauce, or a fruit sauce.

# **WE SUPPORT FAMILY FARMS**

*Buy local. It's becoming a mantra in an age when food production is becoming more anonymous and removed from any connection with peoples daily lives. Decades ago we knew our grocer, butcher and baker and the farmers who brought their crops to market. At Great Harvest we still do.*

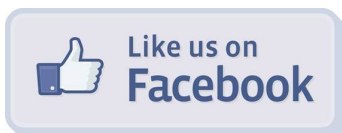

*For more than three decades we have been a friend to family farms located in Montana. We can trace every kernel of wheat that goes into our hand-crafted loaves of honest, whole-grain bread. We also know our wheat farmers on a first-name basis. They are people like Tex Crawford, a third-generation Montana wheat grower, and the Deborde family who has been raising wheat on the same Montana farm since 1913.*

*Our honey comes from right here in Colorado. Since 1908 the Johnston family has been producing honey in Colorado. In 2001, Jeff became the 4th generation of Johnston's to be involved when he started the Colorado Honey Company to distribute the family's honey.*

*We know our product, we know our farmers. They understand our needs and produce our whole grains, and honey, that have the baking qualities and hearty taste that are uniquely Great Harvest.*
